Mr. and Mrs. John Spedding
Hotel Chellino
Sixth Avenue at River Street
Carbondale, PA 18407

Dear Mr. and Mrs. Spedding:

Thank you for hosting the testimonial dinner in honor of David Baum on Thursday, July 15, 1982.

The Hotel Chellino is the perfect setting for such a celebration. The roast turkey dinner and the friendly, cordial atmosphere of the Hotel Chellino, under your careful direction, contributed significantly to the complete success of the evening.

It occurs to me that I may not have paid my bar bill before leaving the Hotel Chellino on Thursday night. Perhaps other members of the Committee, or other guests at the testimonial, neglected to do likewise? Do I, or any of the Committee members or guests at the Baum testimonial, owe you any money? If we do, please let me know, and the bill will be paid at once.

Sincerely,

S. Robert Powell
President
